## ABOUT THE PROFESSIONAL PARTNER NETWORK

1

### PROFESSIONAL PARTNER NETWORK

Every industry requires a professional partner capable of providing innovative tax consulting solutions while keeping you aware of the latest industry developments. It is inevitable that your clients will require tax advice at some stage of their customer journey, be it with a dispute, a commercial transaction or general tax compliance.

With our partners' decades of experience, PPN has come to appreciate the risk of taking on matters that fall outside the field of expertise of most firms, especially where their clients may suffer adverse tax consequences.

2

### THE INTER-FIRM SOLUTION THAT BOLSTERS YOUR ENTERPRISE AGILITY AND INSTANTLY EXPANDS YOUR SERVICE OFFERING

Our professional partners have access to a multidisciplinary specialists within the network, including Tax Practitioners, Admitted Attorneys, Immigration Specialists and Chartered Accountants (SA), who provide support on matters ranging from simple to complex, so that we can pursue a favourable outcome for your clients.

Professionals around the world are confidently servicing their clientele through us, under the umbrella of their own firms, thereby expanding their client base and their services.

3

### **OUR APPETITE FOR COMPLEX TAX MATTERS AND EXPERIENCE IN DISPUTE RESOLUTION UNDERPINS OUR VALUE PROPOSITION**

Taxation is intrinsically complex and is further exacerbated by ever-changing legislation. Every industry requires a professional partner capable of providing innovative tax consulting solutions while keeping you in the know of the latest industry developments. It is inevitable that your clients will require tax advice at some stage of their customer journey, be it with a dispute, a commercial transaction or general tax compliance. As one of the largest networks of its kind in South Africa, we have come to appreciate the risk of taking on matters that fall outside the field of expertise of most firms, especially where their clients may suffer adverse tax consequences. We are passionate about taxpayer compliance. From representing clients on SARS corporate income tax, VAT and PAYE audits, to correcting historical tax non-compliance and challenging SARS in Tax Court, this is what we enjoy.

4

### **GLOBAL MOBILITY, IMMIGRATION, AND REMUNERATION AND MARKETING SOLUTIONS THAT WILL COMPLIMENT YOUR CURRENT SERVICES**

As we have grown, we sensed an immediate need for additional services in the legal and tax industries. Through dedication, we channelled our passion towards establishing a comprehensive service suite that offered a turnkey solution to those who encountered similar needs. Payroll and remuneration processes, particularly where employees' tax come into play, along with matters pertaining to the global shift of employees moving across borders, have become a speciality for us.

5

**WE ARE IN THIS TOGETHER**

While maintaining professional boundaries and offering legal privilege for sensitive matters, we offer you peace of mind in your business. We are there to assist you with your clients' demands, no matter how complicated it might be. Gaining access to our extensive network of professionals, will broaden your available services and potentially increase revenue without running the risk of alienating your existing clients. Our existing partners include Tax, Legal, Accounting, Auditing, Financial Advisory, Global Movement and Wealth and Asset Management firms. Professionals around the world are confidently servicing their clientele through us, under the umbrella of their own firm, thereby expanding their client base and their services.
